

P4500 PowerSmart Series™ Inverter Generator Powered by Briggs & Stratton

Safe for Sensitive Electronics

The inverter technology produces smoother power. This means you can safely recharge and power your sensitive electronics such as laptops, smartphones and gaming systems.

CO Guard™ Carbon Monoxide Shutdown

Advanced Detection. Added Protection. This patent-pending technology shuts down your generator when harmful levels of carbon monoxide accumulate in the generator's operating area.

Remote Start & Shutdown

Conveniently start your portable generator or turn it off remotely with a key fob.
